Stalwart Left Right Socks

As the name implies, these Stalwart Socks are designed to be extra strong and robust. A linen/merino blend yarn is recommended — the linen for strength and sturdy weability; the merino for wearable cushioned softness.

These socks have added features for wearing comfort by conforming to the shape of the ankle and toes. The handsome textured knit/purl diagonal block stitch pattern transitions into ribbing at back of leg for an ankle-hugging fit and the toes have left and right shaping.

Pictured socks were knitted in Louet Merlin Sport 60% linen / 40% merino, 250 yards / 100 grams, color Cloud Grey

Sizing

Women's medium (men's large). Stated yardage is for planned measurements of 7 (7½)" sock leg height above heel flap, 8½ (10)" sock foot circumference, and 9½ (12)" foot length.

Foot length is easily adjustable to specific measurements of wearer as indicated in the instructions.

Yarn and Needles

Sport weight yarn approximately 325 (400) yards. If you are making adjustments for longer foot length, please allow more yarn.

Size 2 US / 2.75 mm knitting needles or size needed to obtain stated gauge; your choice of double point or circular needles for knitting in the round.

Gauge

7 stitches per inch over stockinette stitch.
